

It won't do you any harm

You will see a hen  
Sitting in a pen,  
You will see a hen  
Who's sitting in a pen.

Oh lay oh lay ...  
Down on the farm...

With a bit of luck  
You will see a duck,  
With a bit of luck  
Then you will see a duck.

Quack quack quack quack...  
Oh lay oh lay  
Down on the farm...

You will see a horse  
Eating hay of course,  
You will see a horse  
Who's eating hay of course.

Munch munch munch munch...  
Quack quack quack quack...  
Oh lay oh lay...
