

# A Tin and a Pin

Bean has an empty tin. He puts it in a bin.

Bean cuts his chin on the rim.

Jelly comes to look at him.

But Jelly sits on a pin.

Oh no! The pin is in her skin.

She jumps up in a spin and she lands on her chin.

A lump comes up on Jelly's chin.

Bean helps her with the pin.

“You look silly with that chin,” said Bean to Jelly,  
with a grin.

Jelly and Bean go to the bin.

They have a look for the tin.

The tin is not in the bin.

But Jelly can see a big pin!
