

17 тестов по английской грамматике для 4 класса

Пояснительная записка.

Учебное пособие, состоящее из 17 тестовых заданий, разработано учителем английского языка ГБОУ общеобразовательной школы № 62 Санкт-Петербурга, Разгоняй Светланой Васильевной и предназначено для учащихся 4 класса.

Данное учебное пособие

- контролирует уровень приобретённых учащимися знаний, умения и навыки в области грамматики английского языка в соответствии с требованиями ФГОС;
- развивает умения и навыки анализа и систематизации полученных ранее грамматических знаний;
- развивает у учащихся познавательный интерес;
- готовит учащихся к итоговой аттестации;
- обучает навыкам индивидуальной работы;
- содействует в ходе занятий формированию мировоззренческих понятий.

Благодаря данному учебному пособию учащиеся смогут проверить и значительно расширить свои знания о следующих грамматических явлениях: глагол, имя существительное, артикль, имя прилагательное, местоимение, модальные глаголы. Упражнения позволяют развить не только письменную речь и закрепить лексику, но и помогают формированию навыков разговорной речи. Материал подается в лёгкой и доступной форме, основной упор делается на занятие грамматикой.

Ещё одно неоспоримое преимущество данного пособия – это возможность использования его вне зависимости от УМК, по которому ведутся основные занятия в образовательном учреждении, поскольку при построении пособия учитывались материалы и требования ФГОС.
